**WATERFORD LANDING COMMUNITY DEVELOPMENT DISTRICT**

1.0 General.

- (1) Waterford Landing Community Development District (“**District**”) was created pursuant to the provisions of Chapter 190, Florida Statutes and was established to provide for ownership, operation, maintenance, and provision of various capital facilities and services within its jurisdiction.
- (2) The purpose of these Rules of Procedure (“**Rules**”) is to describe the general operations of the District. Nothing herein shall be construed as requiring the District to consider or adopt rules unless required by Chapter 190, Florida Statutes.
- (2) Definitions located within any section of the Rules shall be applicable within all other sections, unless specifically stated to the contrary.
- (3) A Rule of the District shall be effective upon adoption by affirmative vote of the Board of Supervisors of the District (the “**Board**”). After a Rule becomes effective, it may be repealed or amended only through the rulemaking procedures specified in these Rules. Notwithstanding, the District may immediately suspend the application of a Rule if the District determines that the Rule conflicts with Florida law. In the event that a Rule conflicts with Florida law and its application has not been suspended by the District, such Rule should be interpreted in the manner that best effectuates the intent of the Rule while also complying with Florida law. If the intent of the Rule absolutely cannot be effectuated while complying with Florida law, the Rule shall be automatically suspended.

**Specific Authority:** s.s. 190.011(5), 120.53(1)(a), Fla. Stat.

1.1 Board of Supervisors: Officers and Voting.

- (1) Board of Supervisors. The Board shall consist of five (5) members. Members of the Board must be residents of the State of Florida and citizens of the United States of America. Board members elected or appointed by the Board to qualified elector seats must also be residents of the District and registered to vote with the Supervisor of Elections of the county in which the District is located. The Board shall exercise the powers granted to the District.
  - (a) Board members shall hold office for the term specified by Section 190.006, Florida Statutes. If, during the term of office, any Board Member(s) vacates their office, the remaining member(s) of the Board shall fill the vacancies by appointment for the remainder of the term(s).

- (b) Three (3) members of the Board physically present at the meeting location shall constitute a quorum for the purposes of conducting business and exercising its powers and for all other purposes. A Board member shall be counted toward the quorum if physically present at the meeting, regardless of whether such Board member is prohibited or abstains from participating in discussion or voting on a particular item. A Board member participating in the Board meeting by teleconference or videoconference shall be entitled to vote and take all other action as though physically present, so long as a physical quorum is met. If three (3) or more vacancies occur at the same time, a quorum is not necessary to fill the vacancies. Action taken by the Board shall be upon a majority vote of the members present, unless otherwise provided in the Rules or required by law.
- (2) Officers. At the first Board meeting held after each election or appointment where the newly elected members take office, the Board shall select a Chair, Vice-Chair, Secretary, Assistant Secretary, and Treasurer.
- (a) The Chair must be a member of the Board. If the Chair resigns from that office or ceases to be a member of the Board, the Board shall select a Chair, after filling the vacancy. The Chair serves at the pleasure of the Board. The Chair or Vice-Chair shall be authorized to sign checks and warrants for the District, countersigned by the Treasurer. The Chair or Vice-Chair shall be authorized to execute agreements, resolutions, and other documents approved by the Board at a Board meeting. The Chair shall convene and conduct all meetings of the Board. In the event the Chair is unable to attend a meeting, the Vice-Chair shall convene and conduct the meeting. The Chair or Vice-Chair may request the District Manager or other district staff to convene and conduct any meeting of the Board.
  - (b) The Vice-Chair shall be a member of the Board and shall have such duties and responsibilities as specifically designated by the Board from time to time. If the Vice-Chair resigns from office or ceases to be a member of the Board, the Board shall select a Vice-Chair, after filling the Board vacancy. The Vice-Chair serves at the pleasure of the Board.
  - (c) The Secretary of the Board serves at the pleasure of the Board and need not be a member of the Board. The Secretary shall be responsible for maintaining the minutes of Board meetings and may have other duties assigned by the Board from time to time. The District Manager may serve as Secretary.
  - (d) The Treasurer need not be a member of the Board but must be a resident of Florida. The Treasurer shall perform duties described in Section 190.007(2) and (3), Florida Statutes, as well as those assigned by the Board from time to time. The Treasurer shall serve at the pleasure of the Board.

In such circumstances, any of the Board members present are authorized to execute agreements, resolutions, and other documents approved by the Board at such meeting. In the event that the Chair and Vice-Chair are both unavailable to execute a document previously approved by the Board, the Secretary or any Assistant Secretary may execute such document.

All meetings of the Board and all committee meetings shall be open to the public in accord with the provisions of Chapter 286, Florida Statutes.
  
- (6) Voting Conflict of Interest. The Board shall comply with Section 112.3143, Florida Statutes, so as to ensure the proper disclosure of conflicts of interest on matters coming before the Board for a vote. For the purposes of this section, “voting conflict of interest” shall be governed by the Florida Constitution and Chapters 112 and 190, Florida Statutes, as amended from time to time.
  - (a) When a Board member knows the member has a conflict of interest on a matter coming before the Board, the member should notify the Board’s Secretary prior to the Board’s discussion on the matter. The member shall publicly announce the conflict of interest at the meeting. This announcement shall appear in the minutes. The Board’s Secretary shall prepare a memorandum of voting conflict (Form 8B) which shall then be signed by the Board member, filed with the Board’s Secretary, and attached to the minutes of the meeting within fifteen (15) days of the meeting.
  
  - (b) If a Board member inadvertently votes on a matter and later learns they have a conflict on the matter, the member shall immediately notify the Board’s Secretary. Within fifteen (15) days of the notification, the member shall file the appropriate memorandum of voting conflict, which will be attached to the minutes of the Board meeting during which the vote on the matter occurred. Evidence of compliance with this Rule may be submitted with the bid, if requested by the District.

- (2) Public Announcement. Prior to a public announcement that professional services are required for a project, the Board shall identify the project as meeting the threshold requirement. Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when professional services are required for a project by publishing a notice providing a general description of the project and method for interested consultants to apply for consideration. The notice shall appear in at least one (1) newspaper of general circulation in the District and in such other places as the District deems appropriate. The District may maintain lists of persons interested in receiving such notices. These persons are encouraged to submit annually statements of qualifications and performance data. The District shall make reasonable efforts to provide copies of any notices to such persons who provide their name and address to the District Manager for inclusion on the list, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process. The Board has the right to reject any and all bids, and such reservation shall be included in the public announcement. Bidders not receiving a contract award shall not be entitled to recover any costs of bid preparation or submittal from the District.
- (3) Competitive Selection.

- (a) The Board shall review and evaluate the data submitted in response to the notice described above regarding qualifications and performance ability, as well as any statements of qualification of file. The Board shall conduct discussions with, and may require public presentation by firms regarding their qualifications, and/or public presentation, select and list the firms, in order of preference, deemed to be the most highly capable and qualified to perform the required professional services, after considering these and other appropriate criteria:

Nothing in these Rules shall prevent the District from evaluating and eventually selecting a firm if less than three (3) responses, including responses indicating a desire not to submit a formal bid on a given project, are received.

- (b) If the selection process is administered by a person other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

(4) Competitive Negotiation.

- (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as the most qualified to perform the required professional services.
- (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that "wage rates and other factual unit costs supporting the compensation are

accurate, complete, and current at the time of contracting.” In addition, any professional service contract under which such a certificate is required, shall contain a provision that “the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs.”

- (c) Should the District within twenty-one (21) days be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable then unless modified by the Board, negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached within twenty-one (21) days (unless modified by the Board to the contrary) those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.
  - (d) Should the District be unable to negotiate a satisfactory agreement with any of the selected firms within twenty-one (21) days (unless modified by the Board to the contrary) additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.

Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of any right to object to or protest the District’s decision or contract award. The formal written protest shall state with particularity the facts and law upon which the protest is based.

(b) With respect to a protest regarding the Bid Documents, including specifications or other requirements contained in an Invitation to Bid or in a Request for Proposals, the notice of protest shall be filed in writing within seventy-two (72) hours after the receipt of the proposed project plans and specifications or other contract documents. The formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days after the initial notice of protest was filed. Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of any right to object to or protest with respect to the aforesaid plans, specifications or contract documents.

- (3) Award Process. Upon receipt of a timely filed notice of protest, the District shall abate the contract award process until the protest is resolved by final Board action. However, if the District determines particular facts and circumstances require the continuance of the contract award process without delay in order to avoid immediate and serious danger to the public health, safety, or welfare, the contract award process may continue. In such circumstances, the contract awarded shall be conditioned on the outcome of the protest.
- (4) Informal Proceeding. If the Board determines a protest does not involve a disputed issue of material fact, the Board may, but is not obligated to, schedule an informal proceeding to consider the protest. Such informal proceeding shall be at a time and place determined by the Board. Notice of such proceeding shall be posted in the office of the District not less than three (3) calendar days prior to such informal proceeding, with copies being mailed to the protestant and any substantially affected person or parties. Within fifteen (15) calendar days following the informal proceeding, the Board shall issue a written decision setting forth the factual, legal, and policy grounds for its decision.
- (5) Formal Proceeding. If the Board determines a protest involves disputed issues of material fact or if the Board elects not to use the informal proceeding process provided above, the District shall schedule a formal hearing to resolve the protest in accordance with the procedural guidelines set forth in Section 3.0.

- (2) Filing. Any person who is adversely affected by the District's decision or intended decision shall file with the District a notice of protest in writing within seventy-two (72) hours after the posting of the final bid tabulation or after receipt of the notice of the District decision or intended decision, and shall file a formal written protest within seven (7) days after the date of filing of the notice of

protest. The formal written protest shall state with particularity facts and law upon which the protest is based. Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of all further proceedings.

- (3) Award Process. Upon receipt of a notice of protest which has been timely filed, the District shall stop the bid solicitation process or the contract and award process until the subject of the protest is resolved. However, if the District sets forth in writing particular facts and circumstances which require the continuance of the process without delay in order to avoid an immediate and serious danger to the public health, safety, or welfare, the award process may continue.
- (4) Mutual Agreement. The District, on its own initiative or upon the request of a protester, shall provide an opportunity to resolve the protest by mutual agreement between the parties within five (5) days, excluding Saturdays, Sundays and legal holidays, of receipt of a formal written protest.
- (5) Hearing. If the subject of a protest is not resolved by mutual agreement, the District shall hold a proceeding in accordance with the procedural guidelines set forth in Section 3.0.

## 6.0 Design-Build Contract Competitive Proposal Selection Process.

- (1) Scope. The District may utilize design-build contracts for any public construction project for which the Board determines that use of such contracts in the best interest of the District. When letting a design-build contract, the District shall use the following procedure:
  - (a) The District shall utilize a design criteria professional meeting the requirements of Section 287.055, Florida Statutes when developing a design criteria package, evaluating the responses or bids submitted by design-build firms, and determining compliance of the project construction with the design criteria package. The design criteria professional may be an employee of the District or may be retained using Section 4.6, Procedure Under Consultant's Competitive Negotiations Act.
  - (b) A design criteria package for the construction project shall be developed and sealed by the design criteria professional. The package shall include concise, performance-oriented drawings or specifications of the project, and shall include sufficient information to put interested firms on notice of substantially all of the requirements of the project. If the project utilizes existing plans, the design criteria professional shall create a design criteria package by supplementing the plans with project specific requirements, if

any. All design criteria packages shall require firms to submit information regarding the qualifications, availability and past work of the firms, including the partners and members thereof.

- (c) The Board, in consultation with the design criteria professional, shall establish the standards and procedures for the evaluation of design-build proposals which may include, but not be limited to, based on price, technical, and design aspects of the project, weighted for the project.
- (d) After the design criteria package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited, pursuant to the design criteria by the following procedure:
  - 1. A Request for Proposals shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least seven (7) days for submittal of proposals, unless the Board, for good cause, determines a shorter period of time is appropriate. For sealed proposals, the notice shall allow for at least twenty-one (21) days, unless the Board, for good cause, determines a shorter period of time is appropriate. Any design-build project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of proposals.
  - 2. The District may maintain qualifications information, including: capabilities, adequacy of personnel, past record, experience, whether the firm is a certified minority business enterprise as defined by the Florida Small Business and Minority Assistance Act of 1985, and other factors, on design-build firms. Such firms shall receive a copy of the request for proposals by mail.
  - 3. In order to be eligible to submit a proposal a firm must, at the time of receipt of the proposals:
    - (a) Hold the required applicable state professional license in good standing, as defined by Section 287.055(2)(h), Florida Statutes;
    - (b) Hold all required applicable federal licenses in good standing, if any;
    - (c) Hold a current and active Florida Corporate Charter or be authorized to do business in Florida in accordance with Chapter 607, Florida Statutes, if the bidder is a corporation;

- (d) Meet any special prequalification requirements set forth in the design criteria package.

Evidence of compliance with these Rules may be submitted with the bid, if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the proposal.

- (e) The Board shall select no fewer than three (3) design-build firms as the most qualified, based on the information submitted in the response to the request for proposals, and in consultation with the design criteria professional, shall evaluate their proposals based on the evaluation standards and procedures established prior to the solicitation of requests for proposal. If less than three (3) proposals which meet the design criteria are received, the District may purchase design-build services or may reject the proposals for lack of competitiveness. If no proposals meeting the design criteria are received, the District may proceed with the procurement of design-build services in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the design-build services without further competitive selection processes.
  - (f) The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards, and shall establish a price which the Board determines to be fair, competitive, and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most qualified firm, based on the ranking by the evaluation standards. Failing accord with the second most qualified firm, the Board must terminate negotiations. The Board shall then undertake negotiations with the third firm. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached.
  - (g) After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.
  - (h) The design criteria professional shall evaluate the compliance of the project construction with the design criteria package, and shall provide the Board with a report of the same.
- (2) Emergency Purchase. The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified design-build firm available at the time. The fact that an emergency purchase has occurred shall be noted in the minutes of the next Board meeting.

**Specific Authority:** s. 190.011(5), Fla. Stat.

108  
109  
110 **EIGHTH ORDER OF BUSINESS**

**Ratification of First Amendment to the**  
**Common Area Maintenance Agreement**

111  
112  
113 Ms. Cerbone recalled discussions at the last meeting about ownership, as the  
114 community has multiple HOAs and a CDD. Since the CDD had attempted to contract all  
115 maintenance and repairs of District infrastructure to the Master, certain items must be clarified.  
116 The purpose of the First Amendment was to clarify that the CDD Board wants the HOA to repair  
117 and maintain the only roadway that the District owns within the District boundaries. Once the  
118 First Amendment is ratified, a previously-distributed Second Amendment would be considered.

119 Ms. Cerbone presented the First Amendment to the Common Area Maintenance  
120 Agreement and supporting documents, including a map reflecting the only road that the CDD  
121 owns within the District boundaries, along with other maps. Ms. Schalter stated that the CDD

122 owns the tracts that were previously conveyed from the Developer, including the roads and the  
123 lake banks, which need to be added to the Maintenance Agreement. The First Amendment adds  
124 the road and the Second Amendment would add the lake banks, etc. Mr. Barraco stated that he  
125 was engaged by the City to work on the access road project that is proposed to be the Serena  
126 Park Improvement District (SPID) and, if the Board was interested, it could direct Staff and a  
127 Board Member to meet with the City to learn about the SPID. He doubted that the District  
128 would need to get involved other than to inform the City that it is supportive of the effort and  
129 the reason the project is going forward is because there is one group of investors that owns a  
130 significant amount of lots who are being proactive in trying to complete the construction.  
131 Discussion ensued regarding directing District Staff to approach the City to investigate road  
132 maintenance and improvements, costs, permitting and zoning requirements and the meeting at  
133 City Hall. It was decided that Mr. Cox and Mr. Barraco would attend the meeting. Mr. Barraco  
134 suggested the Board make a motion establishing the Board Member who will accompany him to  
135 the meeting, noting that the District is supportive of the construction of infrastructure on the  
136 private lots adjacent to the District.

137

138 **On MOTION by Ms. Strang and seconded by Mr. Taylor, with all in favor,**  
139 **authorizing the District Engineer and Supervisor Cox to meet with the City and**  
140 **advise of the District's support of an advancement of traffic improvements for**  
141 **entry and exit within the community, was approved.**

142

143

144 **On MOTION by Mr. Taylor and seconded by Mr. O'Donnell, with all in favor,**  
145 **the First Amendment to the Common Area Maintenance Agreement, was**  
146 **ratified.**

147

148

149 Regarding the Second Amendment, Ms. Cerbone recalled that, at the previous meeting,  
150 several topics covered related to ownership and a complicated maintenance structure, such as  
151 footage, littorals, etc. Mr. Barraco stated the District is responsible for maintaining the lakes'  
152 maintenance and water control elevation. Landward, there is 20', which allows the District  
153 access to maintain the lakes; the 20' is typically 5' within the lake tract and 15' on lots with an  
154 easement for the District to use for access. Discussion ensued regarding where the Master  
155 Association, CDD and neighborhood HOAs maintain, needing an agreement between the Master  
156 Association and HOAs, etc. Ms. Schalter stated Staff originally tried to capture the 5', versus 15'

157 but it was eventually decided it would be easier to say the Master maintains the entire 20';  
158 therefore, the version presented would have a slight adjustment in Sections 2 and 3a. The  
159 Second Amendment would be revised and emailed to Ms. Cerbone. In the interim, the Board  
160 should approve it in substantial form. Discussion ensued regarding language in the Agreement,  
161 the revised exhibit and potential increase in Master dues.

162 Ms. Cerbone read the following into the record:

163 "When the original Maintenance Agreement was put together, the District contracted  
164 with the Master Association to repair and maintain all stormwater facilities, conservation areas,  
165 wetlands, sidewalks and landscaping features."

166 Ms. Cerbone stated that it could be interpreted that the paragraph included lake banks,  
167 lake bank erosion and mitigation expenses. The language should be clarified because the budget  
168 has lake bank reserves and there is no reason to have it in two places. Since the motion on the  
169 Second Amendment was pending, she inquired if, as part of the Second Amendment, the lake  
170 banks should be clarified. Discussion ensued regarding the lake banks, the HOA, reserve funds in  
171 the budget and preserve maintenance. Ms. Schalter felt that the concern in the Second  
172 Amendment was if the lake banks are being added specifically and it could be argued in the  
173 future, if all interested parties change, it could be interpreted as requiring lake bank mitigation.  
174 If the Board opts to leave the document as is, including the lake banks, a rule could be added  
175 under the maintenance services section stating that the CDD agrees to pay for lake bank  
176 mitigation or the District could enter into a separate cost-sharing agreement where the HOA  
177 would bill the CDD for the cost of lake bank mitigation. She summarized that the Master HOA  
178 would be responsible for the water, vegetation and mowing the banks/preserve maintenance  
179 and the CDD would be responsible for actual lake bank restoration and mitigation. A Board  
180 Member asked if this item could be considered at the next meeting, Ms. Cerbone stated that the  
181 next meeting would be in 2020 and Staff would like to make the updates and circulate it to the  
182 Board for review prior to finalization and approval.

215 **THIRTEENTH ORDER OF BUSINESS** **Staff Reports**

216

217 **A. District Counsel: *Straley & Robin***

218 There being no report, the next item followed.

219 **B. District Engineer: *Barraco and Associates, LLC***

220 Mr. Barraco reported the following:

221 ➤ The map would be updated to show that the District maintains the lakes solely for  
222 erosion.

223 ➤ Regarding the meeting with the City, the Board may want to amend the motion to give  
224 Mr. Cox the authority to begin discussions and voice the CDD’s support, in hopes that the City  
225 would take over ownership, operation and maintenance, if the Board is agreeable.

226 ➤ Since the dry season would commence before the next meeting, permission to inspect  
227 the lake slopes in order to report any significant erosion was requested.

228 Ms. Strang asked if that was built into the budget. Mr. Barraco replied affirmatively.  
229 Mr. Taylor asked when the CDD could turn over the utilities in Phase 1 and/or the townhomes  
230 to the City. Mr. Barraco stated when 90% of the lots are completed. Ms. Strang directed the  
231 District Engineer inspect the lots for erosion.

232 ➤ Since the irrigation water permit, currently in the Developer's name, was due to expire,  
233 permission to inform Cardno that the District would accept the position as a permittee for the  
234 water use permit was requested.

235 The Board directed Mr. Barraco to proceed with lake bank inspection and manage the  
236 water use permit issue.

237 **C. District Manager: *Wrathell, Hunt and Associates, LLC***

238 As to how the Board preferred to receive the agenda. Mr. Taylor stated by email, in  
239 advance, with hard copies available at meetings for residents and Board Members.

240

241 **FOURTEENTH ORDER OF BUSINESS**

**Supervisors' Requests**

242

243 Ms. Strang recalled a discussion at the last meeting about potential liability if a child is  
244 struck in the CDD's common area while at the school bus stop. She was concerned about a  
245 safety issue and asked about the CDD's liability if a child is hit and a lawsuit is filed. Ms. Schalter  
246 stated any City property, which would include the sidewalk ROW, is the City's responsibility to  
247 control and protect, but, if a child is struck on CDD property, it would be private cause of action  
248 just as any other car accident in the community. The best solution would be to ask the School  
249 Board to install proper signage in the City's ROW so children have a designated spot to gather  
250 and wait for the school buses. Ms. Strang would contact the School Board.
